

With the brain at the wheel
 The eye on the road
 And the hand to the left
 Pleasant be your progress
 Explorer producer stoic after your fashion
 Change
 Change to
 To what speed to what underwear
 Here is a town here a mill
 Nothing surprizes you old horseface
 Guzzle guzzle goes the siren
 And the world will learn to admire and applaud your concern
 with the parts your firmness with employees and your justice
 Your pride will not be overridden [to your friends
 Your faith will go unmortified. M. JOSEPHSON

Die Welt ist ganz verrückt, und die Augen der Sammler
 wachsen noch wie immer an ihre Schuhsohlen. Th.. v. Doesburg.
