

THE  
UNIFORM TRADE LIST ANNUAL  
For 1874-1875,

In addition to a much fuller representation of Publishers' and Stationers' Trade Lists than in last year's volume, is to contain a *specialy prepared* Reference List of Books recorded in the *Publishers' Weekly* from Jan. 16, 1873, to July 1, 1874 (eighteen months), all arranged in one Alphabet, uniform with the Reference List of Books from Jan. 18, 1872, to Jan. 16, 1873—a feature which alone is worth the price of subscription. The volume is expected to comprise over 1800 pages large 8vo, bound in cloth.

TERMS.

1. *The price will be One Dollar per copy.*
2. *In order to insure the contributing publishers against any waste of material and unnecessary expense, and ourselves against any risk which the low price would not warrant, only a very limited number of copies will be bound beyond the number of copies subscribed for, and these will be sold at a price justified by the value of the volume.*
3. *It is desirable that the subscription should be closed at the earliest date possible. In order to comply with the generally expressed request to have the volume ready two months earlier than last year, at least in time to be of use for making up fall orders, publishers should be notified of the number of Catalogues and Trade Lists needed by June 1st at the latest. Almost all the shortcomings of last year's issue may be attributed to the short time given for the preparation of so extensive a work.*
4. *No subscription can be accepted after the number of copies to be printed has been determined upon.*
5. *No subscriptions can be taken in account that have not been paid up when the number of copies to be printed will be determined upon, as the small amounts will neither bear the trouble, nor the expense or risk, of numerous accounts, bills, statements and subsequent collections.*
6. *Remittances should be made by money order on New York, or registered letter, as we cannot be responsible for any losses. Receipt for remittance, with attached order for delivery will be sent by return mail.*
7. *Booksellers, in their own interest, are requested to call the attention of librarians and large bookbuyers to the ANNUAL; but copies ordered by the latter must be subscribed for through booksellers. Except in the case of subscribers to the Publishers' Weekly, all inquirers will be referred to their local dealer.*

Orders for over 1,000 copies of the TRADE LIST ANNUAL for 1873-1874 were received after publication day too late to be filled by the publisher. It is to be hoped that the disappointed, and the trade in general, will come forward more promptly this year.
